Walt Disney Animation Studios’ *Encanto* tells the tale of an extraordinary family, the Madrigals, who live hidden in the mountains of Colombia, in a magical house, in a vibrant town, in a wondrous, charmed place called an Encanto. The magic of the Encanto has blessed every child in the family with a unique gift, from super strength to the power to heal—every child except one, Mirabel (voice of Stephanie Beatriz). But when

she discovers that the magic surrounding the Encanto is in danger, Mirabel decides that she, the only “ordinary” Madrigal, might just be her exceptional family’s last hope.

Released on November 24, 2021, the film features all-new songs by Emmy, Grammy, and Tony Award winner Lin-Manuel Miranda (*Hamilton*, *Moana*) and was directed by Byron Howard (*Zootopia*, *Tangled*) and Jared Bush (co-director, *Zootopia*), co-directed by Charise Castro Smith (writer, *The Death of Eva Sofia Valdez*), and produced by Clark Spencer and Yvett Merino; Bush and Castro Smith are screenwriters on the film.
