Cal Performances is committed to fostering a welcoming, inclusive, and safe environment for all—one that honors our venues as places of respite, openness, and respect. Please see the Community Agreements section on our Policies page for more information.

¡Viva el mariachi! A new generation takes *mariachi* to whole new heights as two-time Latin Grammy nominee **Mariachi Herencia de México** challenges the boundaries of traditional *mariachi* music. Simultaneously honoring the past, celebrating the present, and creating a bold new future for *mariachi* music, the group presents an electrifying and unforgettable night of Mexican music and culture.

The historic traditions of *mariachi* music have their roots of origin in cities such as Guadalajara and Mexico City. As the ever-evolving genre's influence spread, the music reached Chicago and birthed Mariachi Herencia de México. The band has issued six chart-topping albums and has performed across the North American continent, paving the way for a new generation of *mariachi* musicians.

Nuestra Herencia, the musicians' 2017 debut album, topped the Latin streaming charts and earned the band its first Latin Grammy nomination (for Best Ranchero/Mariachi Album). 2018's *Herencia de la Tierra Mía* and a two-volume series, *Esencia* (2019) and *Esencia, Vol. 2* (2020) charted atop all major streaming platforms and industry charts. In 2022, *Herederos* appeared as the band was performing a wildly successful North American tour. *Herederos* received a 2023 Latin Grammy nomination for Best Ranchero/Mariachi Album. In 2025, Mariachi Herencia de México released the groundbreaking album *Viva La Música*, amassing millions of views and streams worldwide. The young, virtuosic band is composed of more than a dozen musicians representing a new bicultural generation in the US.
